The trial of Mrs. Bessie Smoot was continued until the next term of the Fleming Circuit Court.

EXPRESSING HIS SENTIMENTS

A Mercer county farmer, tired of the carelessness of hunters on his place, posted the following notice, says The Harrodsburg Herald:

"Not a trespasser will be permitted to the full extent of 2 mangled dogs, which never was over a hundred to strangers, and 1 double barrel shotgun which ain't loaded with soft pillows; dam if I ain't gittin' tired of this hell raisin on my farm."

YOUR REGULAR JOB

Of feeding the furnace won't be such a long one if you use our clean free-burning coal, for every shovelful you put in will mean more heat than you ever got before from the same quantity of coal. Consequently you need less coal and have to do less shoveling. See the point?

MAYSVILLE HAS LAST OF VOLUNTEER COMPANIES

Louisville Post.

The recent announcement that Maysville had purchased an automobile fire engine and would install a paid department developed the fact, vouched for by local authorities, that the Maysville fire department, which is now being put into retirement, is the last of its kind in the State. It is an incorporated volunteer company, and as such purchased its own equipment and attended to the putting out of fires as a private enterprise with which the municipality had nothing to do. Companies of this kind were formerly numerous, but were succeeded later by ordinary volunteer companies and still later by the paid departments.

SEE What the Postmaster General Says!

PUT UP MAIL BOXES

The Postmaster General Thinks Every Family Should Have One at Their Front Door

One of the suggestions of the Postmaster General for economizing in his Department is that people put up little boxes or other receptacles at their front doors so that the Postman will not have to stand and wait until somebody answers the bell. A great deal of time is wasted by the Postman having to wait. It is in the interest of an efficient and economic service to provide these little conveniences. And then they are not only conveniences for the Postman; they are also for the people of the house. "There is the mail man," says the housekeeper, with her hands in the dishwater or mixing the dough for the family bread; "run, Johnny, to the door," and Johnny is down in the back yard trying to lasso a black cat, but by this time the mail man, thinking no one is at home, goes on with the expected letter from Mary, who is visiting over in Chicago, and so the family is deprived of the pleasure for several hours, simply for the lack of a neat little box at the front door.

In anticipation of this announcement we have purchased a number of Mail Boxes of the latest approved pattern. Just the thing. Call and see them.

MAYSVILLE WOMAN AMONG THE FLOWER OF AMERICAN WOMANHOOD

Among the notable women present and taking part in the Tenth General Federation of Women's Clubs, which has just closed in Cincinnati, one of the biggest and most important Women's Conventions ever assembled in the United States, was a former Maysville girl, Mrs. F. E. Thurman, Corresponding Secretary of the Bartlesville, Oklahoma, delegation. Mrs. Thurman is pleasantly remembered here as Miss Lucille Calvert, who left this city some twelve years ago, and now lives in Bartlesville, Oklahoma, where she is a prominent figure in social affairs. Mrs. Thurman expects to visit her old home shortly and her coming will be awaited with pleasure and delight by her many relatives and friends in this city and vicinity.

Davenport Sunday, May 29th, in the auditorium at Beachwood Park, beginning promptly at 2 o'clock p. m. Rev. F. W. Harrop will deliver the address on Decoration Day, and, weather permitting, will take place at the Soldiers' Monument in Cemetery, where the ritualistic work will be gone through with, after which all soldier graves will be decorated with flowers.
